

# MLRA Newsletter #113 July 2011

#### A MESSAGE FROM YOUR ASSOCIATION PRESIDENT

We still need volunteers for our Moon Lake perimeter road cleanup program. At this point, David and Mary Pat Kelly have volunteered to cover the boat landing and the East Duck Lake loop. Dale Sharpee has volunteered to cover South Moon Lake Road from his home to County Road B in Land O'Lakes. John Sick will cover West Moon Lake Road. We need volunteers for North Moon Lake Road from Rt. 45 to West moon Lake Road, and South Moon Lake Road from Rt. 45 to the Sharpee home. The role of the volunteers is to pick up roadside debris on their own schedule and as frequently as they believe is necessary. If you are interested in participating, please contact John Sick (jsick@cfl.rr.com) or any other board member. Let's make sure the perimeter roads around Moon Lake are as pristine as the beautiful northwoods!

#### <u>Note:</u>

Bob Turnquist and Roy Poterfield have indicated they will cover portions of North Moon Lake Road and West Moon Lake Road. Linda Wheeler will cover portions of North Moon Lake Road to Hwy 45. Tom and Judy Chase will cover South Moon Lake Road from Hwy 45 to the Sharpee home. Other residents are welcome to police the area as well.

Let's all do our part to keep our piece of paradise free of garbage. You can help us by keeping the area in front of your property free of litter. Out for a walk...Like a nursery rhyme... Find a piece of litter, put it in your pocket and save our Moon Lake everyday. Cigarette butts continue to be the biggest litter problem.

#### Thank you, John Sick

It was with great regret that the MLRA board accepted John's resignation at its July 13 meeting. John has served on the board for many years, actually from the inception of MLRA. During the years under his leadership Moon Lake has conducted many projects. A few of the projects include the building of fish cribs, hosting a fishing contest, conducting the Moon Lake/Duck Lake golf outing, annual social meetings, dialogues with the Michigan DNR and the Lac Vieux Desert tribe, clean-up of roads surrounding Moon Lake and trash removal from the lake bottom.

John has willingly shared his great love of Moon Lake and has given generously of his time and talents to make our association the envy of other lake organizations. Thanks, John, for your services. We look forward to some time in the future when you may again be able to serve of the board. We very much appreciate the great work you have done for us.

In response, Jim Reiels (as a representative of the board) sent the following message to John:

Dear John:

It was with great regret that the MLRA board accepted your letter of resignation at its meeting this morning. We reflected on the many initiatives and service you have given through the years. Under your leadership our lake association has become a model of how effective lake associations can become.

The board and the lake residents wish to thank you for all you have done for Moon Lake. It is our collective hope that some time in the future you will again be able to join the board.

Thanks, John. You are missed already

Sincerely yours,

#### MLRA TREASURER'S REPORT

By Jim Reiels

The MLRA fiscal year runs from January 1<sup>st</sup> to December 31<sup>st</sup>, so again the \$20.00 dues are payable now if you have not yet sent in your dues for 2011. The amount of dues is set each year at the MLRA annual meeting (August 13, 2011). Thus, if possible, let this reminder motivate payment. Make your checks payable to MLRA and mail to Jim Reiels, PO Box 683, Land O' Lakes, WI 54540. Thanks for taking care of this so multiple reminders will not be necessary. Remember your dues are tax-deductible. As of 2.16.11 only 23 members have paid; not even half of our members.

Our current balance is \$619.17 in checking; savings \$2361.99 and ANS Fund \$774.48

#### Moon Lake Website www.moonlake.org by Bob Turnquist

Web site statistics show that the Moon Lake website is getting good usage. That means that when you submit something to the *webmaster* many people will see what you have sent to share. To date only 1 MLRA member has submitted anything for the website. I encourage you all to consider submitting something to share with lake residents. Simply email your information to <u>webmaster@moonlake.org</u>. Don't forget to email suggestions for the website to the *webmaster*.

Dale Sharpe has been taking frequent water quality measurements. You will find them posted under the "Water Quality" tab on the website. Good news! The lake level has risen 19.5" from ice on to ice off!!!

We have put the newsletter archive under a separate tab on the main page of the website to make access easier.

## **LADIES OF THE LAKE NEWS**

Judy Chase

The Ladies of the Lake were very lucky to enjoy **Debbie Piel's** hospitality by hosting a May 17th Birthday gathering in her home. The Margarita's were the drink of the day and we each brought a yummy treat for our Mexican theme meal. **Karen, Rhoda, Linda, Sally, Elaine V.,** and **Cassandra** were the Birthday gals of the month. Thanks Debbie....We always love coming to your beautiful oasis in the North Woods and watching the deer come up to your bird feeder added to a beautiful day.

On June 30<sup>th</sup> eleven ladies were able to attend the gathering at the **Forest Lake Country Store.** I would have loved to attend but it was our daughter's birthday and we were blessed to have her spend it with us. I checked with Sally /Elaine. All the ladies enjoyed the wine, food and chat time.

Three of our friends are dealing with health problems. If you have time, send them a note of cheer. They are: **Winnie** Baeten, 5506 353<sup>rd</sup> Avenue, Burlington WI 53015, **Judy** Sick, 1191 Golf Point Loop, Apopka FL 32717 and **Jean** Reiels, PO Box 683 Land O' Lakes WI 54540.

On **Thursday morning at 9:00 a.m.,** (July 21, 2011) **Prudy** Caudill has invited the Ladies of the Lake to her home for "Donuts on the Dock". Please RSVP to Prudy at 544-2346 or pcaudill@alphacomm.net.

#### **Observations**

Tom Chase

As my friend Yaco says, "... first it's Spring, then comes the Fourth of July, and then it's Winter". Actually, it seems to be the "Dog days of August" with the heat and humidity, and winter is nowhere in sight (thank goodness)! Nothing, however, can distract from the beauty of the Moon Lake north woods. There were early bear observations on the north side of Moon Lake this Spring. A few days ago, a good

size black bear disrupted our morning walk, and ended up going through our back yard towards Prudy's house! Yikes!!!
