March 2020

Hello to all our Moon Lake friends and neighbors. At this difficult time in our country we wanted to reach out to say hello and to give you a little smile and hope for brighter days ahead.

As so many of us are now sheltering in place, we are all looking for things to keep us occupied. We thought it would be fun to create and share a crossword puzzle – of course its Moon Lake area – themed! 😊. We've also attached some favorite summertime photos. We encourage more sharing of photos or games via email to help us all keep positive.

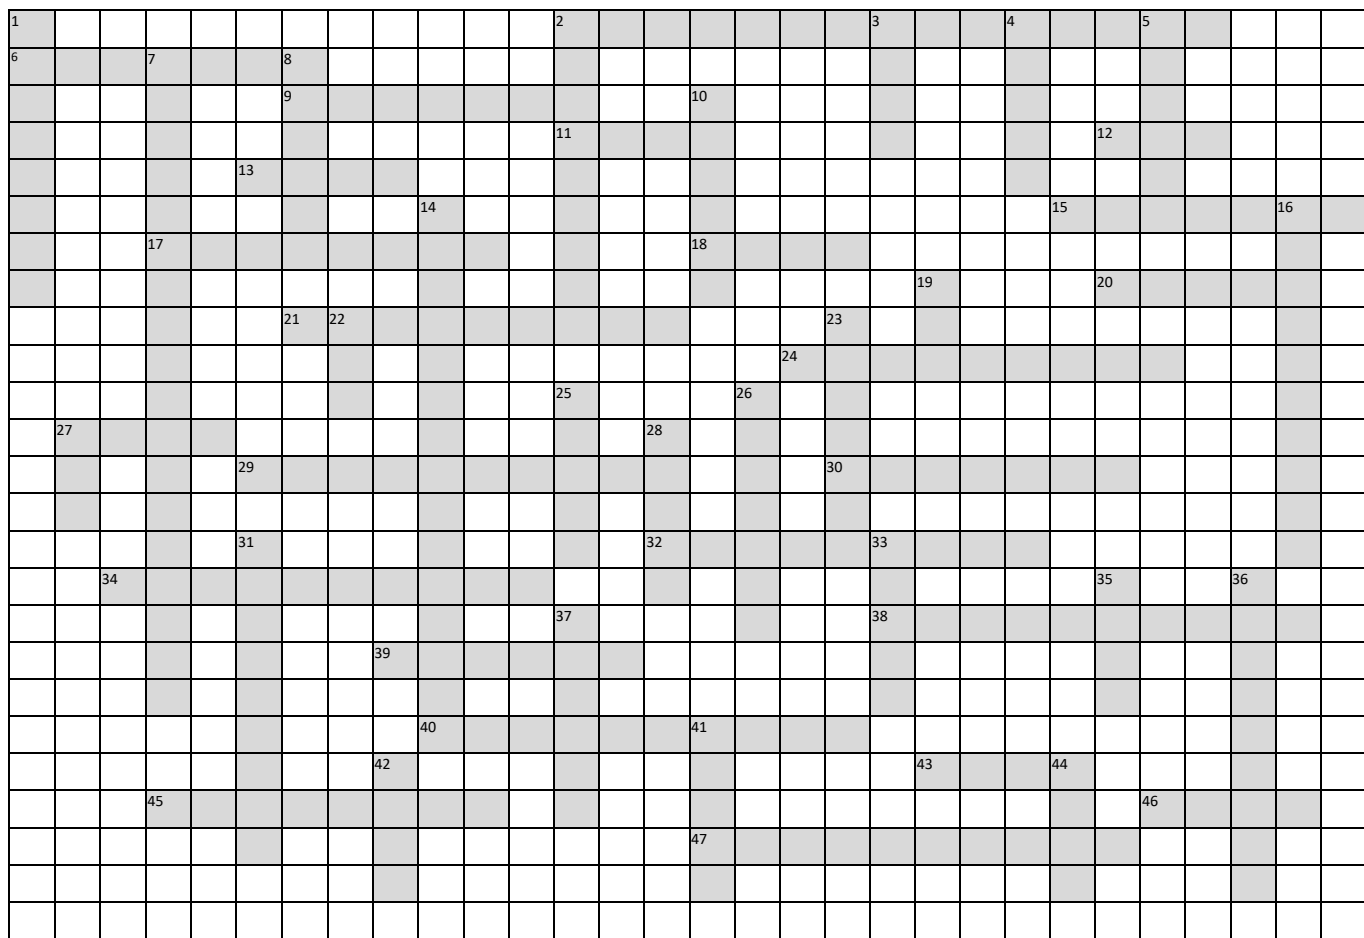

Our sincere wish for everyone to stay healthy and strong. We are so lucky to have such a wonderful Moon Lake community.
